

Mt Cross Senior Day Camp 2013

IT'S WONDERFUL...
to have Mt. Cross Summer Camp
here at Sunny View!

To watch our residents, who have followed the Lord for 80, 90 or 100 years, interacting, singing, and laughing with super college students is such a blessing for all. We love Summer Camp!"

Senior Day Camp is an exciting, growing program that brings camp to senior citizens, allowing for relationships to develop between our young adult staff and their mature "campers".
